The supplier of the fabrics we use has a certificate,
approving its quality.

STANDARD 100 by **OEKO-TEX®** is one of the world's
best-known labels for textiles tested for harmful sub-
stances. It stands for customer confidence and high
product safety.

If a textile article carries the **STANDARD 100** label,
you can be certain that every thread has been tested
for harmful substances and that the article, therefore,
is harmless for human health.

MATERIAL FEATURES OF GRISHKO® GARMENTS

We source the best existing high-tech
and soft materials available for sports-
wear that guarantee comfort during
any movements

Super soft like a peach brushed
microfiber makes our garments
feel like second skin

Polyamide micro — hi-tech
breathable material

Easily absorbs moisture and looks
good even when it's a bit damp

Fast-drying and breathable,
thus extremely comfortable

UPF 50+ allows one to wear
the garment during outdoor
classes without worry

Special bi-stretch technology
helps you to feel free during
stretching and active exercises

Keeps its form and doesn't lose
shape after multiple washings

Fade resistant. Colors remain bright
after a large number of washes

CAREFUL PRODUCTION FOR YOUR CONFIDENCE

We use three different types
of thread to answer stretching
properties of the materials

We pay attention to the end of each
seam by securing it. This guarantees
longer lifespan for your garment

LINING

All our leotards are fully front lined to give dancers confidence that nothing is visible from under the garment.

Beige lining for color leotards

White — for white leotards

Black — for black leotards

POCKETS FOR CUPS

Some ballerinas prefer using cups, while others — don't. We made pockets, so there's always the possibility of changing cups, adding them, or removing them when needed. Please, note: we do not sell bra cups so you will need to buy them separately.

CONSIDERING ANATOMY

GRISHKO® Men's styles are specifically made for the male dancer. They are all designed and cut to enhance the masculine physique.

We always use danseurs for our fit models.

GRISHKO® ACADEMY

The best teachers know that the key of future success is always in the details. This has become the main reason for collaboration of GRISHKO® with the worldwide famous ballet schools – The Bolshoi Ballet Academy, Vaganova Academy of Russian Ballet, Boris Eifman Dance Academy.

The secret of GRISHKO® uniform popularity is in its refined form. It's the carefully verified line of the back that allows the teacher to control the correct work of shoulders and neck, the form of hip cut that makes the movement easy, staying on the same place even during the most intensive exercises, and exceptional quality of fabrics.

All leotards are fully front lined and most feature removable bra cup pockets in the lining.

KNITTED WARM-UP

GRISHKO® knitwear collection was a best seller last year, and we're sure it will be just as popular this year, as we have created another beautiful line and made it even better. The premium-quality Italian yarn is tested several times before knitting. The quality department carefully checks each garment during production and when finished. The highest quality is approved by professional dancers and happy ballet moms, who admire the durability.

- 

High-technology production processing makes the ready garment soft and not itchy.
- 

Super comfort is achieved by purl-knitting technique that allows the garment to follow body curvature perfectly.
- 

Color stays bright after dozens of washing cycles.
- 

ECO. The yarn is made by a sustainable factory, which uses innovative dyeing on cones that can achieve 50 % of water saving compared to conventional dyeing. Also the large part of the energy is supplied by the photovoltaic system installed on the roof of the plant.
- 

The yarn complies with the German, Italian and European Laws regarding the prohibition of the use of toxic substances.
