LIMITED EDITION #4

Gustav Klimt. The Kiss

FEEL YOURSELF LIKE AN ART

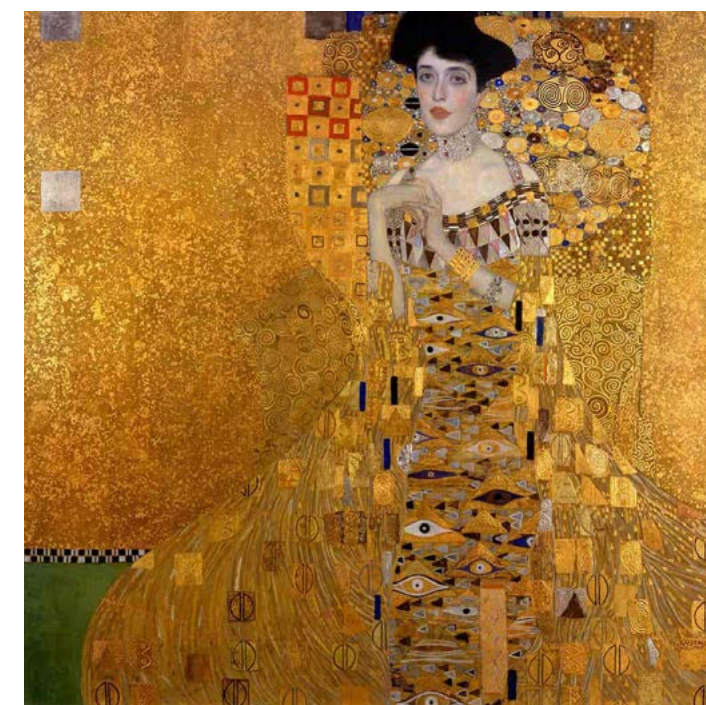

The new Black Label edition is dedicated to the genius Gustav Klimt, the famous symbolist painter of the Art Nouveau period. His art is full of love to the Woman, and his muse is charming, changing, and intriguing. She feels like a work of art, created by the most talented artist — Nature itself. She knows she's beautiful and attracts attention, she's deep, tender, and strong.

Underlining the beauty Gustav Klimt is covering his painting with gold, creating a new world around his muse with the only purpose — to love and admire.

The same as Gustav Klimt we are bowing our heads to the ballerinas, their courage and strength and create the leotards that are more than just the ballet apparel. Our limited Black Label collection makes you feel like part of immortal art.
