

Grighko®

KNITTED WARM-UP

Warm-up is essential during the class or rehearsal, and dancers prefer cozy apparel that will complement their leotards or leggings. We're doing our best to make your dreams come true – that's why this collection is a perfect match to the fashion **Bolshoi stars. MAGNIFIQUE** and basic leotards of classic ballet colors: white, blue, pink and black.

SEEKING THE BEST

GRISHKO® knitwear collection was a best seller last year, and we're sure it will be just as popular this year, as we have created another beautiful line and made it even better.

- The premium-quality Italian yarn is tested several times before knitting.
- Modern production allows using pearly knitting technology that makes garments extra flexible.
- Refined form with perfect fit and trendy look.
- The quality department carefully checks each garment during production and when finished. The highest quality is approved by professional dancers and happy ballet moms, who admire the durability.

Yarn

High-technology production processing makes the ready garment soft and not itchy.

The color stays bright after dozens of washing cycles.

Super comfort due to pearly-knitting technology that allows repeating anatomy of the body even when doing full-leg splits.

The yarns complies with German, Italian and European Laws regarding the prohibition of the use of toxic substances.

ECO. The yarn is made by a sustainable factory, which uses innovative dyeing on cones that can achieve 50% of water saving compared to conventional dyeing. Also a large part of the energy is supplied by the photovoltaic system installed on the roof of the plant.

Construction

Additional elastic rows emphasize the waistline and fix the garment.

The pants have useful pockets.

Adjustable drawstrings fix the garment securely.

The waistband is doubled, so you can choose your style: on the waist or on the hips, and either way, it will be aesthetically pleasing.

O6205/3N Kennedy
Jumper

A lot of dancers prefer camisole or tank leotards, but that can be really cold at the beginning of the class. We designed bolero-sleeves to warm arms, shoulders. Elastic cuffs gently but securely fix the sleeve at the wrist or higher.
